

## PE and Sports Premium Funding Policy

Last review June 2020

Mrs Sills

### Primary School's Sports Funding

The government continues to support primary PE and sports premium funding based on the number of pupils in years 1 – 6. Yesoiday HaTorah Boys' Academy received £19,120 in 2019/20 and expects a similar fund in 2020/21. Due to the COVID-19 closure unspent funding can be carried forward in this period.

### Purpose of Funding

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, to encourage physical activity and an active lifestyle.

This means that we will use the premium to:

- develop or add to the PE and sport activities that Yesoiday HaTorah School already offers
- make improvements now that will benefit pupils joining the school in future years
- following closure supporting wellbeing and mental health will be a new aspect of the focus in 20/21

### 2019/20 Allocation

The focus for 2019/20 is the engagement of all pupils in regular physical activity. The academy will provide staff with professional development, mentoring, training and resources to help them teach PE and sports more effectively. High quality sports coaches will be working with teachers to enhance and extend current opportunities for pupils. In addition, new and engaging equipment has added to the PE resources in the school.

### Impact and Allocation

The pupils have 55 minutes informal physical activity every day, plus 70 minutes per week formal physical activity. This includes breaks as well as P.E. and games lessons.

The allocation of the grant and impact assessment report will be published by 31<sup>st</sup> March 2021, taking into account both the 2019/20 and 2020/21 allocations and any changes to grant guidelines.
