Policy for Pupil Premium

Last review: 20 May 2025
Next update: June 2026

The pupil premium grant is funding to improve educational outcomes for disadvantaged pupils in state-funded schools in England.

Pupil premium funding is allocated to eligible schools based on the number of:

- pupils who are recorded as eligible for free school meals, or have been recorded as eligible in the past 6 years (referred to as Ever 6 FSM)
- children previously looked after by a local authority or other state care, including children adopted from state care or equivalent from outside England and Wales

Pupil premium is not a personal budget for individual pupils, and schools do not have to spend pupil premium so that it solely benefits pupils who meet the funding criteria. It can be used:

- to support other pupils with identified needs, such as those who have or have had a social worker, or who act as a carer
- for whole class interventions which will also benefit non-disadvantaged pupils

For pupils who are looked-after children, funding should be managed by the local authority's virtual school head (VSH) in consultation with the child's school.
